Walk To School

## Walk To School

Some of the best school memories are made on the walk to school, it's a great time for you and your child to relax or for them to have a bit of fun with their friends before the school day begins.

We all know the importance of keeping kids active and so My Mini Monsters have created this printable pdf to help you make the journey that little bit more interesting!

See how many of the following everyday things you can spot on your journey to school this morning. You can tick the box when you see one or even count how many of each!
